

THE PROCEEDING
WORD
OF GOD

FOR AOTEAROA

*‘He who has an ear,
let him hear what the Spirit
says to the churches.’*

Revelation 3:13

WHAT THE LORD OF NATIONS IS DOING IN AOTEAROA IN 2018

The Holy Spirit is raising leaders with stature who will be well trained to hear His prophetic voice with accuracy and precision.

These leaders who are moved by the Spirit will know the favour of God and will be strategically positioned carrying out God's Kingdom Mandate in their city and in their nation. God will use them to create significant moves that will climax in the final outpouring of the Holy Spirit.

The heavens are opened above them and the demonstration of the Holy Spirit is through them. God will empower His people to do an impregnable work in the earth.

We will salute the arrival of these strategic people given to us by God.

Strategic connections and links are bringing together a new nation, a holy nation and the Kingdom of God will soon manifest through. The earth will hear His voice and see the manifestation and demonstration of the Holy Spirit.

THE PROPHETIC PROCEEDING WORD OF PRECISION

God is releasing His Prophetic Word to accelerate prophetic destinies of nations so that God's plans for National Transformation can start to manifest upon our lives and our nations. Those who are prophetically tuned to the prophetic timetable and schedules of heaven understand that the Prophetic Proceeding Word will create movements, forcing the devil to move out, God's people to move forward and God to move in.

- 1. The Prophetic Proceeding Word will create movements, forcing the devil to move out, God's people to move forward and God to move in.**

There is no longer a place found for them in heavens and they are not strong enough to maintain their position. The great dragon is thrown down and all his angels with him.

Revelation 12:7-12

- 2. The Prophetic Proceeding Word brings divine intervention of God sovereignly into the affairs of men on earth.**

The Sovereign God is the Ruler over all nations and the Government of the kingdoms of this world will rest upon His shoulders. There will be no end to the increase of His government and of peace and the zeal of God Himself will accomplish this. God will explode in the history of nations.

Isaiah 9:6-7

- 3. The Prophetic Proceeding Word will place an expiry date on all the works of the devil.**

The Father's Decree has gone forth saying, "The LORD says to my Lord, sit at My right hand until I make a footstool for Your feet. Then the LORD will stretch forth His sceptre from Zion saying rule in the midst of Your enemies."

Psalms 110:1-2

- 4. The Prophetic Proceeding Word will release His strategic men and women to bring God's purposes into accelerated fulfilment of His Word.**

These strategic men and women will accomplish all of God's good pleasure. They are the men and women of God's purpose to whom God has spoken and truly

He will bring it pass. God has planned His word, surely He will do it and His salvation will not delay.

Isaiah 46:10, 11, 13

God will redefine the position and role of all His agents of change in the light of His purpose.

The Prophetic Proceeding Word will release His purpose. God will set aside a people for Himself. They will tap into the power of one and passionately pursue God's purpose while inspiring others to follow.

Psalms 44:26-28

- 5. The Prophetic Proceeding Word will release the awesome presence of God.**

God is shaking everything that can be shaken. We will then receive a kingdom that cannot be shaken. Therefore let us show gratitude by which we may offer to God an acceptable service with reverence and awe. For our God is a consuming fire.

Hebrews 12: 27-29

- 6. The Prophetic Proceeding Word will initiate the release of all the provisions of God and all that is needed to pursue the journey towards the destiny.**

God will not pay for what He has not ordered. He will not have an incomplete project.

Isaiah 61:6-7, Isaiah 60:9, 11

- 7. The Prophetic Proceeding Word will release the people of God to return from their captivity and exile into their own inheritance.**

Daniel 9:2, 3

Jeremiah also prophesied the exact time in which they will return; that is within 70 years. The people would volunteer to return because God has fulfilled His word. God will bring back His people at the exact time. God will bring back the captives at the exact time.

8. The Prophetic Proceeding Word will assure the nation that God will protect and guide them back into destiny.

By the word of the Lord and by the breath of His mouth, He spoke and it was done. He commanded and it stood fast. The Lord will nullify the counsel of the nations, He frustrates the plan of the people. The plans of His heart are from generation to generation. "Blessed is the nation whose God is the Lord"

Psalms 33: 6-12

9. The Prophetic Proceeding Word will inspire the government of that day to revoke existing laws of the land that are restrictive and bias.

They will rejoice in the diversity of the people and the different grace and gifts that each culture and race provides. The government of the day will encourage participation of each other's dreams. They will support any cause that is good and beneficial in the power of unity.

Ezra 1:3-4, 8, 11

10. The Prophetic Proceeding Word will send the frequency and accelerate cutting edge leadership to bring restoration and the rebuilding of the cities.

This is true reformation which will progressively lead to national transformation.

Isaiah 61:4-5, Isaiah 60:21-22

The need for prophetic precision

The Prophetic Proceeding Word will come with precision. It is God's divine strategy to shut the mouth of false prophets, deceiving spirits, and the counsel of the wicked.

We will learn to discern false prophecy and identify false prophets. We must be positioned spiritually and accurately so that our lives are aligned by what is spoken in heaven. When what God is saying is accurately delivered, the people will hearken and heed the voice of God and prevail. God wants us to stay on line, adjusted and aligned to what He is saying in heaven.

'He who has an ear, let him hear what the Spirit says to the churches.'

Revelation 3:13

Strategic men and women: God's best for His highest

The book of Acts features strategic men who created significant moves of the Holy Spirit through their lives.

Strategic men and women are God's way to accelerate and enhance what He begins in the earth.

Strategic men and women are glocal (global & local) leaders who influence the direction of followership even outside the walls of the church. They are God's battle axe to wage war against the enemy – to subdue and rule.

The prophecies on the strategic men and women of stature

There is an acceleration on the prophetic destinies over nations. The proceeding word is creating movements, God is moving in, the devil is moving out, and God's people are moving forward.

The signs of God moving in divine intervention into the affairs of mankind are obvious to be seen. God is exploding on history and He is creating a clear pathway for the righteous to come into their inheritance. God is releasing strategic men and women whose role has been redefined, whose position has been reinforced and God is releasing the Spirit of Revelation, Understanding and Wisdom in the light of His purposes. He is raising not just a company but an army of nation builders, city takers and giant slayers.

These 'ones' have been set aside for this day and hour. This has been written for the generation that will soon be coming forth. This emerging generation are being shaped and formed, created and fashioned for the final purposes of God for the last days. His favour will be upon them. Sin, sicknesses and diseases have been broken over their lives. God is hearing their cry as they call on the Name of the Lord.

When these people are gathered together in the power of one, the kingdoms of the world will serve the Lord. Therefore keep your eyes on the horizon as God raises His new breed of transformational leaders in each and every nation. Strategic 'ones' will receive the mandate to lead for they have seen the preferred future for the nation. The grace, the gifts and the glory that God has placed on them will be evident to all. They possess the capacity for a greater measure of governing grace and prevailing power to be continually released on them. They are the radical opposition, men and women who choose to win only through righteousness. They will model the TALK as they WALK in the convictions of their heart and in the competency of their gifts and grace.

When Jesus was commissioned for His assignment, God gave Him choice men. Without this approval from heaven and the release of the partnership of these strategic men and women the Kingdom assignment will not be reached. We need good people, great people and God people. God is preparing them for the work outside into the society, the city and the nation. He has set them apart so

that the partnership can synergise and tap into the power of God. These are men and women of quality, who are royal and regal, and have God's approval and the Kingdom Mandate. They become the catalyst, an activist and an agent of change. They are leaders who inspire and ignite the flames of revival. The Lord will work with them and confirm their words with signs and wonders. They will pursue the prophetic purposes and inspire the church for progressive change and reformation. The Lord is stirring up the spirit of strategic leaders to push for change for the reformation of the church and the transformation of the nation.

We need more than politicians. We need statesmen who seek the welfare of the next generation. We need prophets who see and read the movement of the Holy Spirit in their nation. The prophetic word must go out, the prophetic purposes must be embraced and the prophetic people must rise. There is already a revolution of core values and collective destiny. There is already a reformation of all our institutions starting with the church. There is already a rebuilding of families, societies, and cities.

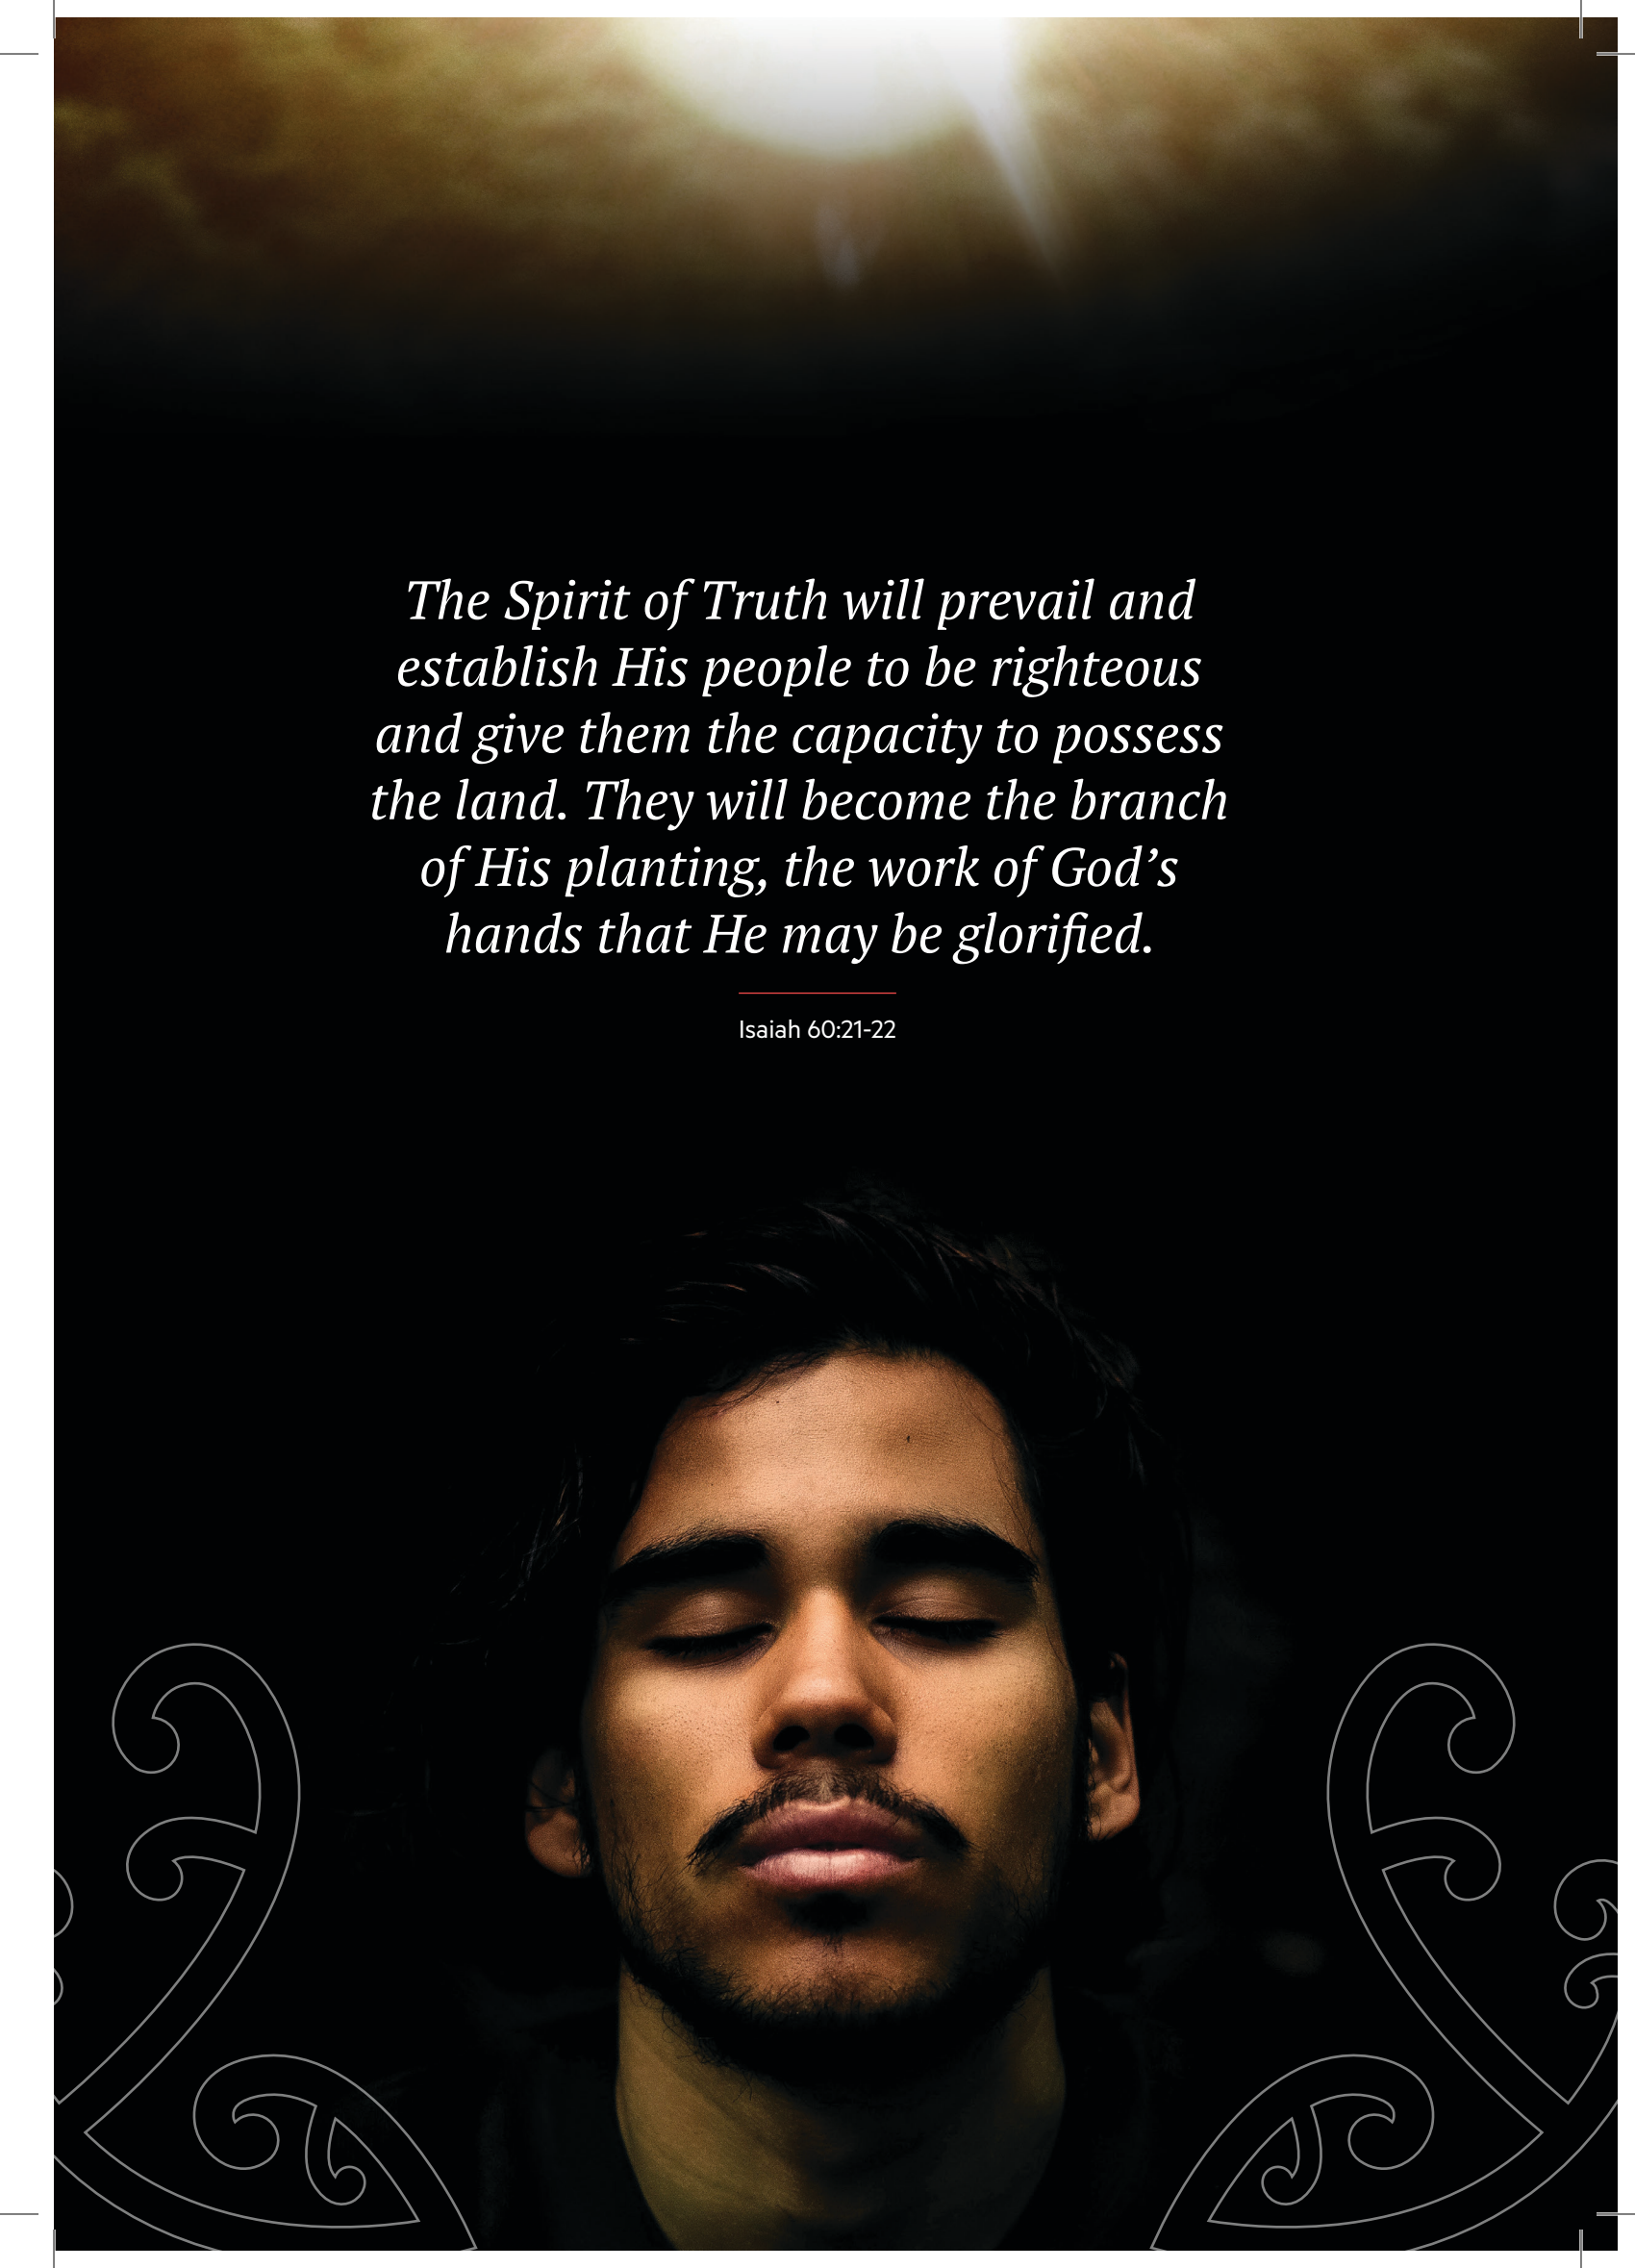

God's strategy is you

You are the vessel of God's purpose. The purposes of God will be revealed, established and fulfilled. God's plan is to execute the purpose through your life. There will be no more delay to His purpose.

Isaiah 46:10, 11, 13

The coming in of the Spirit and the Word will release the final outpouring of the Holy Spirit and a greater Pentecost for His church. God is looking for generational impact so will continue leading and guiding the expressions of the Kingdom of God. God will release His people in Zion and baptise them with the baptism of His Word and Spirit. He will not just release the Word of the Spirit but also the Spirit of the Word. The Spirit of Truth will prevail and establish His people to be righteous and give them the capacity to possess the land. They will become the branch of His planting, the work of God's hands that He may be glorified. The smallest one will become a clan, the least among them a mighty nation. God will hasten it in His time.

Isaiah 60:21-22

The Spirit of Truth will prevail and establish His people to be righteous and give them the capacity to possess the land. They will become the branch of His planting, the work of God's hands that He may be glorified.
